DECADENCE
SURRENDER TO A WORLD OF INDULGENCE

Surrender to a world of **INDULGENCE**

Decadence is not an occasion. It is a way of living.
A little slower. A little richer. A little bolder.

Inspired by the rituals of luxury. Rich wine, handcrafted cocktails, soft vanilla, smoky evenings and quiet indulgence. Decadence invites you to experience colour differently.
Six deeply considered finishes transform apaiserMarble® into something more than a material. They create atmosphere. Mood. Memory.

Some colours don't simply tell a story, they linger like a memory on the skin. Others don't just create a feeling, they envelop you in it.

The

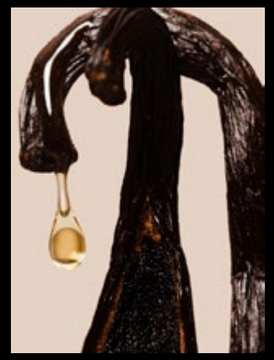
PALETTE

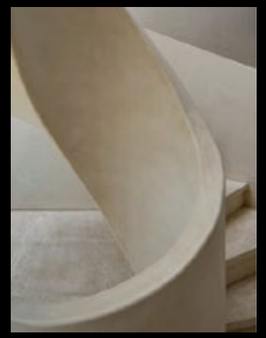
Decadence is an invitation to indulge in a world of colours, textures and desire.

Dirty Martini is a heady mix of cool sophistication and unapologetic indulgence. **Bordeaux** is velvety and intoxicating, like aged wine in candlelight. **Dark & Stormy** evokes the charged atmosphere of a night unfolding.
Cashmere is soft, warm and sensual against the skin. **Vanilla Smoke** lingers like an exquisite fragrance in the air. **Molten Leather** is rich, tactile and deeply seductive.

Decadence is colour at its most indulgent.
Tactile, provocative and unapologetically sensual.

A palette designed to stir something within you, and linger long after.





VANILLA SMOKE

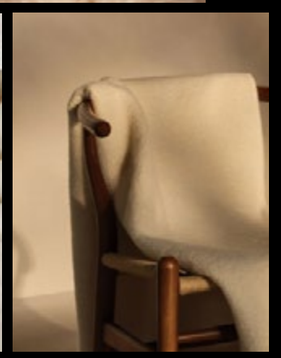
Creamy. Smokey. Addictive.
Vanilla smoke makes you sink into the richness of tobacco and warmth of amber. An embodiment of vanilla drifting through warm air and the lingering trace of perfume after midnight.

VANILLA SMOKE

CASHMERE

Quiet. Refined. Unhurried.

Cashmere invites you closer, and envelops you in the understated luxury of supple suede, fine wool and notes of rich caramel. Imagine secluded winter lodges, buttery leather armchairs draped in cashmere throws, and the gentle warmth of winter sun spilling across snow-covered grounds.



CASHMERE

MOLTEN LEATHER

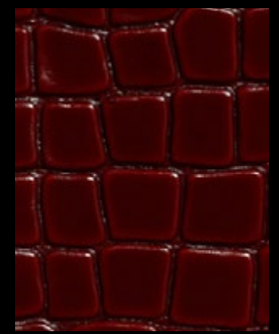
Rich. Warm. Intoxicating.

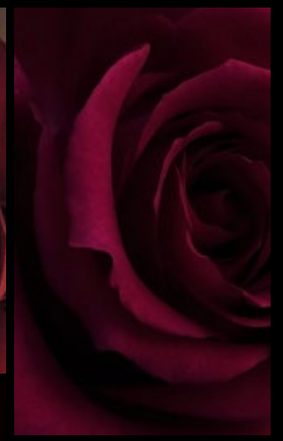
Molten Leather smoulders with the golden richness of toffee, burnished brass, and lustre of burr walnut. Whisky swirls slowly in a heavy crystal tumbler; a worn leather armchair yeilds beneath your touch; a song whispers of memory, and the last embers of the fire cast a molten glow across the room.

MOLTEN LEATHER

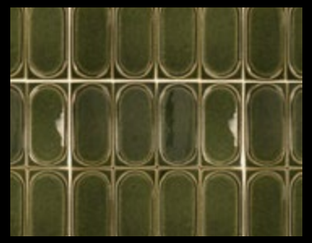
BORDEAUX

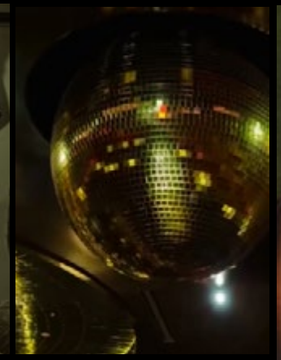
Seductive. Dark. Unrestrained.
Bordeaux seduces with the depth of red wine, plushness of burgundy velvet and allure of dark polished wood. Lipstick on crystal, wine-stained linen and the lingering warmth of a candlelit evening that refuses to end; traces of beautiful abandon and a night lived without restraint.





BORDEAUX





DIRTY MARTINI

Sharp. Chic. Irresistible.
Dirty Martini enchants with olive-green velvet, cool marble and liquid indulgence. The sharp brine of olives, the chill of a perfectly mixed martini, the sensuous glide of satin beneath the dim light of a bar at midnight. A little mischief, a lingering glance, where one drink always becomes another.

The night is only getting started....

DIRTY MARTINI

DARK
& STORMY

Moody. Elemental. Alluring.

Dark & Stormy lures you into an atmosphere of dark temptation; of rain-soaked slate, smoked oak and blackened timber. Thunder murmurs in the distance as water traces the windows; rum and bittersweet chocolate mingle with the smell of rain in the air. The fire settles into a low, intimate crackle casting flickers of gold and shadow. Time slows, and the night offers its own kind of escape from the storm.
