

TEMBO

Tembo basin 680mm

The oval basin extends the collection's elongated geometry into a refined countertop form. Gently grounded and softly curved, it offers a balanced, sculptural presence, bringing a sense of calm continuity and quiet completion to the series.

SPECIFICATIONS

Size : 680mm X 400mm X 145mm

Approx weight: 16kg (35lb)

Overflow option available.

Chrome or stone waste included.

Product code **6968**

apaiserMARBLE

apaiserMARBLE® is a luxurious, performative, non-porous marble material, derived from reclaimed marble, enriched with the purity of Australian minerals. Offering enhanced performance, achieved through the integration of the most advanced materials, apaiserMARBLE is shaped and perfected by our master craftsmen.

We at apaiser are committed to manufacturing bathware, which is respectful of the environment. In all phases of our process, we strive to produce a product with consistently low environmental impact.

apaiserCARE

A dedicated support platform comprising apaiser's in-house design and engineering professionals, provides superior service quality and peace of mind to all our project customers and retail installations. apaiserCARE® oversees design to delivery, installation and training.
